

# アメリカの反撃

AMERICA STRIKES BACK

by xKaworuGF87

## AUTHOR'S NOTE:

Konichi wa! Your favorite fujoshi xKGF87 is back again with a brand new manga! However, this one is a lot more serious than my usual yaoi... it's the one year anniversary of the worst thing to happen to the United States of America, if not the world... the September 11 attacks on the Twin Towers </3

I wanted to be respectfull and show how serious this all is, so there is lots of blood and violence in this one... if you can't handle it, imagine how much worse it was for someone in the towers! It really got me out of my comfort zone, but I'd do anything for the 10000 inocent patroits that lost their lives that day!

I drew a lot of the art in this one but my dad was so proud of me for showing my love for this country that he decided to help out (he draws American Comics and works for DC... he's my insperation) amd draw some of the art at the end!!

I hope this inspires some of my fellow fujoshis to tell their kareshis to join the effort against the terrorists who tried to take our freedom away! God Bless Americal

PS: this is my tribute from last year!

September 11, 2001

Mr Bush! They caught our entire military off-guard! We can't do anything!

The towers...

*Many innocents  
died that day.*

The whole world  
wept that day.

**Bullcrap!**

What about  
the Terminator?!

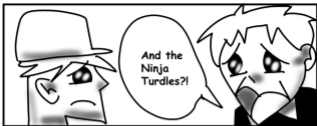

Terminated.

Bruce Willis?  
Steven Segal?

Died hard.

We don't talk about what happened to them.

Dear God.

Looks like I have to call in some favors...

..from some old freinds...

Somewhere on the outskirts  
of the Middle East...

Hello, Mr.  
President.

You may call me...  
Kaworu Nagisa, Mr. Bush.

Whats with the giant  
robot?!!!!

Mr. Bush... that's an  
Evangelion, piloted by  
my best friend, Shinji  
Ikari. He's one of my  
Japan's bravest.

Of course, I've  
brought the rest  
of our best...

Goku, all of  
the Sailer Moons,  
Astro boy...

Super Secret Terrorist Kakurega

We sure  
got those  
Americans  
huh?!

YEA!  
HA  
HA  
HA  
HA  
HA

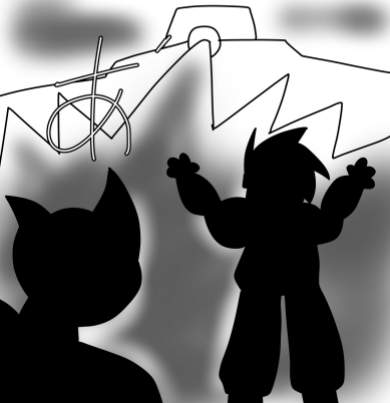

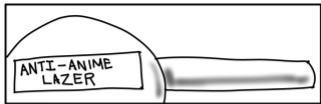

H  
U  
H  
?!

**BOOM**

SOLDIERS,  
SAVE THE  
PRESIDENT  
AND ANIME  
NOW!

WE COULD USE BRAVE TROOPS  
LIKE YOU AND YOUR BEST  
FRIEND SHINJI IN THE US ARMY,  
KAWORU!

I'LL BE SURE  
TO CHECK  
IT OUT!

AND TO THE FUJOSHIS OF  
THE WORLD... KEEP ON  
LOVING THOSE BOYS,  
BECAUSE IT'S YOUR LOVE  
THAT KEEPS THEM  
FIGHTING FOR WHAT'S  
RIGHT AND THAT GIVES  
THEM SOMETHING TO  
COME HOME TO!

*fin.*
